氏 名

中学校卒業後から出願時までの間に、積極的に取り組み、努力してきた活動について 400 字以上 800 字以内で記載してください。

This image shows a full page of graph paper. It features a uniform grid of small squares. On the right side, there is a vertical axis with numerical labels starting at 0 at the top and increasing by 100 up to 800 at the bottom. A solid horizontal line runs across the page at the 400 mark, dividing it into two equal halves. All other grid lines are dashed. The entire page is covered by this grid pattern.
